CRAFT BEER

Invercargill Brewery Wasp (*pilsner*)

Wasp has a sweetish aroma and palate combining biscuity malt, caramel and honey. It has a spritzy mouthfeel and lingering vanilla note and the beer finishes crisply with an edge of citrusy tartness from the hops.

Invercargill Brewery B.man (*pilsner*)

In both the aroma and palate, biscuity sweet malt provides a luscious canvas on which the hops play and their citrusy, passionfruit flavours lead to a dry finish.

Invercargill Brewery Stanley Green (*pale ale*)

The aroma is sweet and well balanced with gentle herbal fruitiness. Being medium bodied there a creamy, sweet and savoury maltiness followed by a leafy hop note and finish.

Invercargill Brewery Pitch Black (*stout*)

The aroma and palate are rich and inviting with suggestions of sweet caramel and chocolate. Smooth and creamy with a hint of hop dryness.

The Rocks Lager (*lager*)

Made by the award winning Invercargill Brewery especially for The Rocks, this european style lager is crisp and clean. Made using the Wakatu hop it has been brewed as a single malt style, single hop lager.

Emersons Pilsner (*pilsner*)

Emerson's Pilsner has an overt fruitiness that begs comparison with Marlborough's world-beating Sauvignon Blanc's. The beer's palate shows a hint of early malt sweetness but develops a lengthy dry finish

the ROCKS

CRAFT BEER

Emersons 1812 Pale Ale (*pale ale*)

Medium bodied, the palate first offers a marmalade-like combination of ripe citrus and caramelised malts before resinous hops come to the fore and lead into a lingering dry finish.

Emersons Bookbinder (*new world ale*)

Bookbinder has a sweet, perfumy, malt and hop aroma with a soft, malty, fruit and vinous palate that is both full flavoured and refreshing with a long, gently drying finish.

Panhead Supercharger APA

Hops are where it starts for the born-again craft head and Supercharger American Pale Ale is where Panhead delivers. This is an all-American show with Centennial, Citra and Simcoe overwhelming your nose, kicking you in the tastebuds and departing with more bitterness than a Palm Springs divorce.

Panhead XPA (*pale ale*)

XPA means Extra Pale with a lighter malt base, the delicate hue undercut by a glorious hit of alpha oils from Mosaic, Galaxy and Citra hops. you don't always want your mouth flayed raw and your lover worked to a standstill. A few luscious notes of mango, guava, lychee and pineapple can be just the thing..

Panhead Pilsner

Pilsner is a lager with a personality. It's famously Czech in origin, but there we've gone for a South Pacific hop profile in keeping with the people who brew it and drink it. Passionfruit, grapefruit and sauvignon blanc characters abound, stacked up on a robust malt base that is partly German, partly kiwi.
